Betreff: update EuroGames Stockholm Dance Championship x ESSDA's European Championship 2015

Kennzeichnung: Zur Nachverfolgung
Kennzeichnungsstatus: Erledigt

Dear ESSDA members, dear dancers,

On behalf of Hadass I send you the latest news on the **The EuroGames Stockholm Dance Championship x ESSDA's European Championship 2015**

As promised on ESSDA's Facebook page, an update regarding the dance competition. Please remember that all is subject to change, although, personally, I would prefer no changes at all, so will do my very best to keep the information as is.

The FINAL day to register for the competition is Thursday 23.7.15. After that date we will not take competitors who wish to participate. Please make sure that you are, indeed, registered to avoid disappointment (as they say).

Wednesday 05.08.15: There will be practice time in the venue, hopefully on the competition floor, during the afternoon.
Standard/Ballroom: 12.00-13.30; Latin: 13.30-15.00. As there is a practice floor as well, in a different room to the competition hall, we are aiming to open that space as well during the same time. The music in the practice room will be Latin 12.00-13.30; Standard/Ballroom: 13.30-15.00.

Due to the very full programme the EuroGames have put on and due to the demand that during Open and Closing Ceremonies other events cannot take place, the DanceSport team has been unable to find a time for a social event. We have all tried our very best to make it happen, but with the nature of the programme it could not take place.

However, we have been able to secure time and place for ESSDA's AGM, Thursday 06.08.15 after the competition at the venue. Please stay and contribute as the work that is done by ESSDA is just for you!!

I wish all competitors, visitors and participants a great time and a wonderful competition.

Kind regards
Diana Vinke
